

TECHNICAL RIDER

ALESSANDRIA DI NARDO

Piano

A well-maintained acoustic grand piano is required.

Preferred instruments include Steinway & Sons, Fazioli, Bösendorfer, Shigeru Kawai, Yamaha CFX, Yamaha S Series, or an equivalent professional concert grand. A well-prepared grand piano in excellent mechanical condition is always preferred over a particular brand.

The piano should be tuned on the day of the performance and be in excellent mechanical condition.

Bench

An adjustable artist's piano bench is preferred.

Performance Space

Quiet performance environment with appropriate concert lighting

Rehearsal

Access to the instrument prior to the performance is appreciated whenever possible.

Interdisciplinary Projects

Certain interdisciplinary performances may require additional technical elements (projection, lighting, exhibition layout, or sound equipment). Technical specifications will be provided individually according to the project presented.

Questions

For any technical questions regarding repertoire, venue suitability, or project-specific requirements, please contact the presenter in advance to discuss the most appropriate setup.
